

Professor Dr Jenny P. Deva UTAR Soft Skills Development Award

Professor Dr Jenny P. Deva UTAR Soft Skills Development Award was established in 2020 with the objectives to recognise students' achievements and efforts in excellent student-development and produce graduates with high calibre and skills. This certification also encourages students to pursue holistic self-development, cultivate self-discipline and integrity, nurture creativity and entrepreneurial spirit and develop themselves into broad-minded leaders.

The award recipient was selected based on the grade of USSDC with 'Platinum' score and the recipient was required to obtain the highest USSDC points within the year of the convocation.

The following graduand is the award recipient of Professor Dr Jenny P. Deva UTAR Soft Skills Development

Award for Year 2021:
